

*Handwritten text, likely bleed-through from the reverse side of the page. The text is dense and difficult to decipher due to the cursive style and high contrast of the scan.*

I have received your letter of the 10th inst. and am glad to hear that you are well and happy. I am also well and hope these few lines will find you all the same. I have not much news to write at present. I am still in the same place and doing the same work. I hope to see you sometime. I am, my dear friend, ever affectionately,  
Your friend,  
John Jones
