Notes for Allan James Robertson:

Allan James Robertson was born on Thursday, August 26, 1943, in Pictou, Nova Scotia, Canada. He is the son of James Ives Robertson and Charlotte Helen MacDonell. Allan's Father

was born in Stellerton, NS but lived mainly in Pictou, NS. Allan's Mother was born in Judique on Cape Breton Island, NS She mainly grew up there but also later on lived in nearby Port Hood, NS. His paternal ancestors originated from a Scottish immigrant (John Robertson) who received a substantial land grant in the Churchville area of Pictou county, NS. Allan's maternal grandmother out lived three husbands (Allan MacDonell was the second and Father to Allan's Mother) The third husband was James MacDonald and he was the sheriff of Richmond county- Port Hood is the county seat. James's brother Angus L MacDonald was the premier of NS at one time. He has the Halifax harbour bridge named after him.

Allan's parents met in a place called Catalac, Quebec. They moved to Pictou, NS and then moved briefly to St, Catharines, ON where Allan's sister Lois was born in 1948. They lived in an apartment on Church St near Geneva St. Later that year, the family moved back to Pictou and lived for a brief period in a rented home on Beaches Road - near Laudon's Beach. They then moved to Elm St in Pictou, NS. Later, they moved to 21 Chestnut St - Allan is most familiar with this address as he lived there from grade school until grade 10. Then his parents "swapped" homes with his paternal grand parents who lived 95 Faulkland St - SE corned of Faulkland and Patterson St. The house is still there but the number has changed due a change in the house numbering system. Bea's (nick name for his paternal grandmother) cousin - Margaret Harris (nee Fraser) lived in a home on Patterson St - across from Bea's home. (SW corner of Faulkland and Patterson streets)

The home was actually jointly owned by Bea and her older (unmarried) sister Annie Ives. When Annie died, she willed her half to Allan's Father, When Bea died, Allan's Father got the home but his brother Len and sister Louise received all the fine antique furniture. Allan still has in his possession two mantle decorations that belonged to Bea's Mother - Ocenia Fraser. These pieces may even predate her as there is no record as to where they came from.

Allan's Father worked in the ship yard as a sheet metal worker. He later started his own business from some funding from his brother Len. However it was not entirely successful. They eventually sold the house and moved to a trailer home at 7 Oak St. Allan's Father died in 1989.

Allan's kindergarten year was at the former Patterson school on Wellsford St near Poplar St. Grades 1 and 2 were at Stella Maris Convent. Allan remembers one of his class mates (his last name was Bell) drown after falling of the wharf. The whole class went to the funeral after visiting the remains in the family home. (Grades 3-6 were at the former Dawson school (now gone). Grades 7 and 8 were back at the Patterson school and finally grades 9 to 12 were at Pictou Academy. Allan's grades were "average" up until Grade 11 then in Grade 12, he and one of his friends (Wayne Madore) decided that they would be first in their class. Wayne did graduate 1st but Allan was 2nd. They edged out a girl (Maureen Mullins) who had continually placed first in her class through out her Junior and Senior high school years.

His closest friends while growing up were Wayne Madore and Melton Scanlan - they married two sisters and became teachers. They lived in Green Hill - near Pictou. John Murray who attended Dalhousie University and became a medical doctor. He practised in Sussex NB. Larry McCormack who also addended St Francis University and became a geologist.

In his younger years, Allan was very close to his paternal grandmother (Louisa "Bea" Robertson - nee Ives). He spent a lot of time with her and had a lot of fun playing cards with her. He was her "favourite grand child" - perhaps because he was the first. His grandmother also lived in St Catharines with him and his parents. Allan would often walk (mostly run) with her to Montebello Park and also visit with a family friends (Browns?) who lived at 56 lake St.

Bea willed him an old family photo album that belonged to her grandfather - William Ives. That photo album along with a booklet on the history of the Robertson family which was updated by his uncle Len Robertson, got Allan very much interested in the family genealogy. The result is this family tree of over 27,000 related persons.

Because of the influence of his high school science teacher (Mr. Peter Whyte), he decided to be a chemist. Mr. Whyte allowed Allan and his friend Wayne to stay after school and "experiment" in the lab - unsupervised!! In hind sight, not a wise thing to do - but they survived with "all of their fingers" still attached.

Both Allan and Wayne enter the bachelors program at St Francis Xavier University in 1961 and took up chemistry as their major. Allan graduated from St Francis Xavier University (BS Hon. in 1965 and received his MSc 1967). Unfortunately, his friend Wayne got hooked on golf in his third year and then dropped out of university. He later took up teaching and did very well.

Allan lived on campus for his under graduate years and then boarded off campus while working on his master's degree. Part of that time he lived with the Ray MacDonald family - Ray

was a news announcer at the local radio station (CJFX). The MacDonald's had five children - 4 boys named Mathew, Mark, Luke and John and one daughter - Mary.

His closest friends while at university were Tony McPhee-from Sydney, NS and one of the brightest students who was also a chemistry major. Tony taught Allan how to play chess. Out of hundreds of games, Allan only won once. Bruce Barron - a "pre-med". student from Portland, ME, Marry Osiany - she came from Hungary with her family in 1956 after the Hungarian uprising. Gary McQuade - also his roommate in his junior year. Gary was from Ottawa and was one of the star hockey players with St FX.

During his Freshman year, one of his chemistry lab instructors was a graduate student named "Bud Gallivan" - a nephew to "Danny Gallivan" who was a famous hockey announcer for the Montreal Canadiens. Bud went on to Notre Dame University where he obtained his PhD. He then went to work for American Cyanamid at the corporate research lab in Stamford, CT. Bud rose through the ranks and eventually became VP of the division in which Allan worked. Allan's boss at that time was a direct report to Bud and on his boss' passing, Allan reported to Bud for a brief period. Unfortunately, later in the same year, Bud died from a sudden heart attack. It was shortly after that that Allan was transferred from research to marketing. This was a traumatic change for a month or so, but then he thoroughly enjoyed the new position.

While at university, during the summer holidays, Allan worked as a lab technician for the then Cyanamid of Canada in Niagara Falls, ON. He worked at the "Welland Plant". For the first 4 summers, Allan resided with his Aunt and Uncle (Louise and Les Bongard). Louise is Allan's Father's younger sister. He hung out with his cousin Robert (Robbie). In later years, Robbie mover to Lunenburg, NS with his second wife.

He bought his first car in the summer of 1965 - a 1956 Ford Fairlane - for \$160. Later, he drove it to Nova Scotia that fall and during the following spring, he sold it for \$200 to a local in the Antigonish area.

During the summer of 1965, he resided at 138 Page St. in Catharines, ON. This is when he met his future wife - Virginia Worobel- who lived next door at 136 Page St. Virginia was in a nursing program at St. Joseph's in Toronto. They "dated" - mostly by mail for about 2 years. After Allan got his MSc degree in January of 1967, he moved back to 138 Page St. and got a permanent job with Cyanamid. Virginia finished her nursing program in 1968.

For the better part of a year during 1968 and Allan was transferred to Cyanamid's Bound Brook NJ site. He boarded at a private home in Summerset, NJ for about 6 months (Mrs. Tureck's home). While there he met a couple of friends who also worked for Cyanamid - Paul Gastrock and George Menghi. Both came to Allan and Virginia's wedding on April 19 of 1969.

After about 6 months, Allan rented an apartment in Raritan, NJ, During this year, he would commute to St Catharines every other weekend.

Then in December of 1968 he moved back to 136 Page St - just in time for a 3 -4 month labour strike at Cyanamid. During that period he was part of the management team that ran the Welland Plant as well as a limestone quarry in Beechville, ON. While at Beechville, he had a half hour training course on how to drive one of those huge trucks used to haul crude limestone from the quarry to the crusher. After 3 weeks of that he was reassigned to the Welland Plant as an operator in the production area - he much preferred this job.

The strike finally ended about a week prior to the wedding on April 19, 1969.. The wedding took place at the St Catharines cathedral with the reception at the Ukrainian Black Sea hall. It was a typical Ukrainian style wedding with approximately 150 guests. Allan's parents as well as his younger siblings, and aunts and uncles from Chatham, New Brunswick and Montreal attended. Virginia also had several relatives from Saskatoon and Winnipeg and Fort Frances, ON also attended.

Virginia's sister and brother-in-law were maid of honour and best man Allan's cousin Robert Bongard and Allan's sister Lois as well as Virginia's cousin and a best friend - Ann Cotnam were also in the wedding party.

After the reception, they stayed over night at Prudholms hotel in Vineland before heading off to Jamaica for a week long honeymoon. They landed in Montego Bay and rented a car. They stayed there for two nights ant then toured the Island. Finally flew home from Kingston.

Virginia and Allan lived with her Mom at 136 Page St for about a year - during which Jenny was born on Jan 30, 1970. During the summer of the following year, they moved into a newly built home at 80 Meredith Dr. in St Catharines. Virginia's Mom moved with them. On July 6 of 1971 Adele was born and on August 11 of 1973 Lara was born.

The house on Meredith D.r was starting to get a bit crowded. They then bought their

current home at 36 Forster Ave in Thorold for the amazing low price of \$64,000 which likely would sell for \$400,000 today (2018)

Allan spent his working career as a research chemist with Cyanamid of Canada Inc. - which later became Cytec Canada Inc. 1995 Since his retirement in 2013, Cytec was bought by Belgian company called Solvay. For about 40 years, he worked in the lab and then for the last 11 years, he took on a marketing role. Over his career, he obtained 12 patents and either authored or co-authored about 50 scientific papers. He also received a Circle of Excellence Award from the company for scientific achievement. As part of the award, there was a weekend all expenses paid visit to NYC - including a Broadway play and gala dinner with the other award winners and company executives. Stayed at a fancy hotel on Park avenue.

The job - especially in the later years, involved a considerable amount of travel - either to scientific conferences or visiting customers - almost all were outside of Canada - mainly in the US, Europe, South Africa and Australia. At several of the conferences, - those related to phosphorus chemistry- he presented talks. They took place in such places as Duke University in Durham, NC, Tallin, Estonia, Saltzberg, Austria, Jerusalem, San Francisco and Sundhi, Japan .On some occasions such as the conferences, Virginia came along.

In December of 1995, Cyanamid became Cytec. Allan eventually retired in April of 2013 after 51 years of serving with Cyanamid/Cytec. This was the second longest service term within the company. The company put on a great retirement party with about 70 employees attending. The guests also included the company CEO and well as the corporate HR VP.

Lastly, are you in touch with, I guess it would be your mother's brother Angus and his son Allan Angus Macdonell (born about 1957)? I'm trying to locate Allan Angus to give him some information about a friend of ours. Please let me know if you are in contact with him. Thank you!  
-Alysha Reinard

March 16,2002

Hi,

Actually, Reinard is my stepfather's name. I have never met my biological father but I know that his name is Allan Angus MacDonell and his parent's names are Angus (born in Judique, Nova Scotia) and Dawn. This seems to match well with the information on your cousin. I also know Allan Angus was born in Ontario in 1957, and Dawn was born in Ontario.

I don't really want anything from Allan Angus (I'm 26 years old, married, debtfree, about to get my PhD in Space Physics). It would be cool to talk to him, but I would understand if he didn't want to talk. Mostly I'm just really curious to fill in that half of my family tree.

Do you happen to know if your cousin was born around 1957 and if the family ever lived in Wyoming, USA, particularly in 1974?

I might possibly have some more information for you. In the ancestry.com World Family Tree they have listed a Flora Macdonell married to Angus Hugh MacDonell (born in Judique). Flora's parents are Alexander MacDonell and Miss Morrison. Alexander MacDonell's father is also named Alexander and looks like he was born in 1823 in West Mabou Harbour, Scotland (I think) and was a Captain in the British Army. This Alexander's father is Angus (or Allan) and his father is Alexander. The contact person is Lori <lori2149@@cs.com> or Donald Cosman <dcosman@@ns.sympatico.ca>.

Please let me know if you can help me any more with Allan Angus.  
Thanks!

Hi Alysha,

Thanks for the information. I have lots on Mamie's side of the family but there are a few gaps on my grandfather's side - Allan MacDonell. I don't recognize "Reinard" but are you some how connect to this family?

I see my uncle Angus form time to time but not in the last 4 years. He lives in Guernsey Saskatchewan. I got his phone number from the web - (306) 365-4379. If you give him a call, I'm sure he can put you in touch with Allan Agnes. I think he is a

If the above doesn't work, I can give my Mother a call - I think she will have Angus' postal address. Allan Angus is my first cousin but would you believe - I have never met him!

March 19,2002

Al,

Thanks so much for the information and the pictures. You've been wonderfully helpful. I hope you don't mind being asked for more help.

My husband called the number you gave me and he eventually talked to Allan. He asked Allan if he knew Kathy Barden (my Mom), and Allan said no, and he asked if Allan had ever lived in Wyoming and Allan said no. Afterward, I started thinking that either this had to be an amazing coincidence, or we approached things badly and Allan didn't tell the truth. It would be a bit abrupt to be asked such questions out of the blue without having a chance to prepare yourself and I could understand denying things under that circumstance. I was hoping you could act as an intermediary and help me get to the bottom of this. It would be helpful if you (or your Mom) could let Allan and his parents know more about me and let them know that I don't want to cause any problems, I just want to know the truth about where I come from. If any of them (or you) want to contact me, I'd be more than willing. My phone number is 734-763-8837, and my address is Alysha Reinard, 2528 Stone Rd, Ann Arbor, Mi, 48105. If they don't want to contact me, that would be fine, as long as I could know if this family is the one I'm looking for. And if this is an amazing coincidence, hopefully we can get enough evidence to convince ourselves of that.

The person I am looking for is named Allan Angus Macdonell, he was born in Blind River, Ontario on Dec 28, 1957. His Mother's name is Dawn and she was also born in Ontario. His father's name is Angus and he was born in Judique, Nova Scotia. They lived in Rock Springs, Wyoming the fall of 1974. Angus worked in the mines outside of Rock Springs. Allan had a relative in Saskachewan who he lived with at the end of the school year. He would have been a Junior in High School that year. I've included an attachment with some information from the Rock Springs high school, and a couple pictures of Allan. Maybe that could help you tell if it's the same person.

As for telling them more about who I am, here's a quick version of my life story: My Mom and Allan dated in high school. Their fathers both worked in the mines outside of Rock Springs/Green River, Wyo, and both families lived in the same trailer park. My Mom got pregnant with me and about the same time, or shortly afterward, Allan's parents moved and they sent Allan to live with a relative in Saskachewan to finish the school year. Meanwhile, my Mom graduated and moved to Nebraska, which was where I was born. She said Allan was planning to come down to Nebraska, but he never came and she lost contact with him soon after I was born. Not too long after that she went to Oregon and married my stepfather, who was an old friend of hers from childhood and had been in the Navy for a few years.

I grew up in Wyoming, Oregon and Washington. My family didn't have enough money to send me to college. However, I was a good student and applied for several scholarships. I won a scholarship from NASA which included 4 years tuition plus room and board. I started at the University of Washington in 1993 and received my bachelors degree in Physics in 1997. As an undergraduate I worked with a research group studying the Aurora Borealis. I presented talks at two scientific meetings and I published a paper. I met my husband in calculus class at UW our freshman year. He studies microbiology.

We both went to the University of Michigan for graduate school. After I was in Michigan a couple years I won another fellowship from NASA. This one included 3 years of tuition and stipend, plus book and travel expenses. In science PhD students typically get tuition and a stipend paid for, but it's prestigious to bring in your own money, and it makes my advisor happy. My husband and I will both finish our PhDs this summer. I will get my PhD in Space and Planetary Physics. I already have interviews at Caltech, Boston University, and the Naval Research Laboratory. So anyway, professionally I'm doing well.

Personally, I'm doing pretty well, too. My husband and I are very happy. I have a younger brother and sister who I'm fairly close to. My brother is married and has a one-year old daughter who is beautiful and adorable.

About 3 and a half years ago my Mom died of breast cancer. It was hard to go through, but I'm doing okay now. That got me thinking about my medical history. (I noticed in the info you sent me that there is some diabetes in your family.) I also had always wondered about my father. I had known about him since I was 4 or 5 years old. My Mom always spoke well of him. She had been sad that he didn't come back, but she was never angry, at least not to my knowledge. She told me that he was handsome and smart. Before she died she gave me some pictures of him and all the information that she had. She completely supported my looking for him.

To talk details, I have brown eyes, blonde hair, and freckles. I am 5'9" and medium build. I look just like my Mom, but since I've seen pictures of Allan, I think I look a bit like him, too. I'm probably not active enough, but I try to work out somewhat regularly, and I play softball in the summer. I've always been a bit of a tomboy, and I still avoid wearing dresses when possible. I have hayfever, and have lately developed an allergy to several fruits and nuts, but otherwise I am healthy. I love to read just about anything, but especially sci-fi or historical fiction (or regular history if it's not too dry).

I have a web page set up with more pictures and such (just look under "my personal web page": <http://www-personal.engin.umich.edu/~alysh>)

I included some pictures I scanned in. The first is a high school picture of Allan, the second is his records that I got from the Rock Springs high school. The third is a picture of him and my Mom. The fourth is a picture of my Mom and I right before my brother's high school graduation (my Mom is the frazzled one). The last one is a picture of my husband and I a few years ago.

I would appreciate it if you could pass some or all of this on. I really wouldn't mind being in contact with Allan or his parents, but even if they want to be left alone, I would like confirmation that I have found the person I'm looking for. If I have found the right family, it's nice to know I still have a second cousin to keep in touch with.

Thanks so much,  
Alysha

Actually, that's pretty good news. I guess there's no way to prove anything outside of DNA testing, but I believe my Mom and it's nice to know I've found this bit of my history. Thanks so much for all your help!

Hi Alysha,

Well I called my Uncle Angus and Aunt Dawn and passed on your story. They did in fact live in Rock Springs - Dawn said it was closer to Green River. She even remembers a Kathy but can't believe that Allan is your Father - said he was only 16 at that time. But that's old enough. They are not an e-mail subscriber but I offered to send your photos on to her niece's e-mail address (she lives nearby). At first she said OK but then changed her mind. She thinks someone else may be your Father.

So I don't really know what to do now. We at least established that Allan was in Rock Springs in 1974. They have your phone number still - perhaps they may have to think it over for a bit. At the moment, Allan's parents are in a state of denial. It would appear that they were not aware of your Mom's condition when they left. Only Allan would know for sure - maybe he will call back in a while.

Sorry that I don't have any better news,

Al

Al,

Thanks for the e-mail. Nope, haven't heard anything from Allan or Angus. I thought it would be a good idea to let things sink in for a couple more weeks. Then I was thinking I would send a letter to Allan explaining who I am and that I don't really expect anything from him-maybe that would help. If I could get Allan's address or his parents address... or maybe I could send it to you and you could forward it... It seems like a less confrontational way to go about it. Do you know if Allan has been married or has any (other) kids? Also, does he have siblings? It didn't look like it in the family trees you sent me, but I was curious.

Also, I'm hoping that at some point I can find out more about Dawn's side of the family tree.

Thanks for the pictures-- you did get the pictures of me and my Mom and me with my husband, right? I'm attaching a picture from last summer of my family. I'm on the left, my sister Janette is on top, my brother Pat is in the middle. Pat's wife Liz is the the right, and their daughter Katie is at the bottom. Janette is 4 years younger than me and Pat is three years younger than me. Even though they're technically half-siblings we don't think of it that way, they're just my brother and sister. I have a great relationship with both of them, though they're pretty far away right now. Janette lives in Idaho and works at a nursing home and Pat lives in California and fixes roller coasters at the 6 flags amusement park there.

What kind of jobs do your daughters have?

### Generation 8 (cont.)

Hello, I read your post about Allan MacDonell(b.1880) I have found information about his wife Mary Christina "Mamie" Macdonald. Do you have dates for your information about Allan (1880)'s parents, etc?

Lastly, are you in touch with, I guess it would be your mother's brother Angus and his son Allan Angus Macdonell (born about 1957)? I'm trying to locate Allan Angus to give him some information about a friend of ours. Please let me know if you are in contact with him. Thank you!  
-Alysha Reinard

March 16,2002

Hi,

Actually, Reinard is my stepfather's name. I have never met my biological father but I know that his name is Allan Angus MacDonell and his parent's names are Angus (born in Judique, Nova Scotia) and Dawn. This seems to match well with the information on your cousin. I also know Allan Angus was born in Ontario in 1957, and Dawn was born in Ontario.

I don't really want anything from Allan Angus (I'm 26 years old, married, debtfree, about to get my PhD in Space Physics). It would be cool to talk to him, but I would understand if he didn't want to talk. Mostly I'm just really curious to fill in that half of my family tree.

Do you happen to know if your cousin was born around 1957 and if the family ever lived in Wyoming, USA, particularly in 1974?

## Generation 8 (cont.)

I might possibly have some more information for you. In the ancestry.com World Family Tree they have listed a Flora Macdonell married to Angus Hugh MacDonell (born in Judique). Flora's parents are Alexander MacDonell and Miss Morrison. Alexander MacDonell's father is also named Alexander and looks like he was born in 1823 in West Mabou Harbour, Scotland (I think) and was a Captain in the British Army. This Alexander's father is Angus (or Allan) and his father is Alexander. The contact person is Lori <lori2149@@cs.com> or Donald Cosman <dcosman@@ns.sympatico.ca>.

Please let me know if you can help me any more with Allan Angus.  
Thanks!

Hi Alysha,

Thanks for the information. I have lots on Mamie's side of the family but there are a few gaps on my grandfather's side - Allan MacDonell. I don't recognize "Reinard" but are you some how connect to this family?

I see my uncle Angus form time to time but not in the last 4 years. He lives in Guernsey Saskatchewan. I got his phone number from the web - (306) 365-4379. If you give him a call, I'm sure he can put you in touch with Allan Agnes. I think he is a detective with the RCMP - perhaps in Saskatoon or some where near by. I couldn't find Allan Angus - perhaps he is unlisted.

If the above doesn't work, I can give my Mother a call - I think she will have Angus' postal address. Allan Angus is my first cousin but would you believe - I have never met him!

good luck in your search for A.A.

Al(lan) - I guess I am named after my grandfather or my uncle or both.

p.s.

Let me know if you come across anything on the MacDonells

March 19,2002

Al,

Thanks so much for the information and the pictures. You've been wonderfully helpful. I hope you don't mind being asked for more help.

My husband called the number you gave me and he eventually talked to Allan. He asked Allan if he knew Kathy Barden (my Mom), and Allan said no, and he asked if Allan had ever lived in Wyoming and Allan said no. Afterward, I started thinking that either this had to be an amazing coincidence, or we approached things badly and Allan didn't tell the truth. It would be a bit abrupt to be asked such questions out of the blue without having a chance to prepare yourself and I could understand denying things under that circumstance. I was hoping you could act as an intermediary and help me get to the bottom of this. It would be helpful if you (or your Mom) could let Allan and his parents know more about me and let them know that I don't want to cause any problems, I just want to know the truth about where I come from. If any of them (or you) want to contact me, I'd be more than willing. My phone number is 734-763-8837, and my address is Alysha Reinard, 2528 Stone Rd, Ann Arbor, Mi, 48105. If they don't want to contact me, that would be fine, as long as I could know if this family is the one I'm looking for. And if this is an amazing

coincidence, hopefully we can get enough evidence to convince ourselves of that.

The person I am looking for is named Allan Angus Macdonell, he was born in Blind River, Ontario on Dec 28, 1957. His Mother's name is Dawn and she was also born in Ontario. His father's name is Angus and he was born in Judique, Nova Scotia. They lived in Rock Springs, Wyoming the fall of 1974. Angus worked in the mines outside of Rock Springs. Allan had a relative in Saskatchewan who he lived with at the end of the school year. He would have been a Junior in High School that year. I've included an attachment with some information from the Rock Springs high school, and a couple pictures of Allan. Maybe that could help you tell if it's the same person.

As for telling them more about who I am, here's a quick version of my life story: My Mom and Allan dated in high school. Their fathers both worked in the mines outside of Rock Springs/Green River, Wyo, and both families lived in the same trailer park. My Mom got pregnant with me and about the same time, or shortly afterward, Allan's parents moved and they sent Allan to live with a relative in Saskatchewan to finish the school year. Meanwhile, my Mom graduated and moved to Nebraska, which was where I was born. She said Allan was planning to come down to Nebraska, but he never came and she lost contact with him soon after I was born. Not too long after that she went to Oregon and married my stepfather, who was an old friend of hers from childhood and had been in the Navy for a few years.

I grew up in Wyoming, Oregon and Washington. My family didn't have enough money to send me to college. However, I was a good student and applied for several scholarships. I won a scholarship from NASA which included 4 years tuition plus room and board. I started at the University of Washington in 1993 and received my bachelors degree in Physics in 1997.
